## **Directions to Office:**

Enter Wilmore on Route 29 off of Harrodsburg Road (Route 68). Travel through Wilmore on Lexington Avenue (still Route 29) through both stop lights. At the south end of town there is a three-way stop. From this point, travel approximately 1.8 miles on High Bridge Road (still Route 29).

Mailbox is on your right. Look for a green reflective house number sign attached to the mailbox post. Driveway is on your left. Look for sign just inside the driveway that reads "Manna Counseling Service". Pull into the driveway and find the parking area on your left.

Finally, follow the sidewalk to the back of the house where you will find the office entrance.

Please note: Sessions are 50 minutes in length. If you arrive early, the door sign may read "In session, do not disturb". If this is the case, please have a seat in your car until the client ahead of you leaves.

Thank you.
